

### **PROJECT NOTES:**

**PROJECT DETAILS:** The Project consists of widening and extending Hartley Drive from US 311 to Westover Drive. Westover Drive will be realigned approximately 200' to create a new "T" intersection With Hartley Drive. A new "4-Leg" intersection at Ingleside Drive will be created by the extension of Hartley Drive.

**PURPOSE OF PROJECT:** To provide more convenient access to North Main Street and the city's intermediate loop for residential areas in west High Point and Davidson County.

**PROJECT LENGTH:** 1.1 Miles

**PROJECT CHARACTERISTICS:** Four lane divided with raised grass median, curb and gutter, turn lanes at major intersections, and sidewalks on both sides.

**PROPOSED POSTED SPEED LIMIT:** 45 mph

**BEGIN CONSTRUCTION:** Late 2009

City of High Point  
Hartley Drive Extension~ Project No. 2287  
From US 311 to Westover Drive
